General Terms & Conditions LAKS GmbH

1 GENERAL

1.1 These General Terms and Conditions shall apply to products and related services (hereafter jointly the “Products”) manufactured and/or provided by LAKS GmbH a company organized and existing under the laws of Austria (hereafter “LAKS”) to a customer (hereafter the “Buyer”). Any proposal or form of proposal howsoever (hereafter the “Proposal”) made by LAKS to the Buyer for its Products shall be governed by these General Terms and Conditions which, unless expressly otherwise agreed in writing, shall prevail in the event of a discrepancy with any other written or oral agreement between LAKS and the Buyer.

1.2 The Proposal, including without limitation, commercial, technical and financial documents sent to the Buyer together with these LAKS Terms and Conditions, shall be valid for a period of thirty (30) days from the date of its issuance, unless extended by LAKS by written notice to the Buyer.

1.3 The Buyer’s written acceptance of the Proposal and/or the placement of an order in writing by the Buyer (hereafter the “Order”) shall be deemed the Buyer’s unconditional and irrevocable agreement to these General Terms and Conditions and the waiver of the Buyer’s own purchase terms and conditions or any other similar document. The Buyer shall ensure that the terms of its Order and any applicable specification are complete and accurate.

1.4 The Proposal may be subject to alteration and withdrawal by written notice of LAKS to the Buyer at any time unless a contract arising therefrom (hereafter the “Contract”) has been executed in writing by the Buyer’s and LAKS’s duly empowered representatives.

1.5 If the Buyer accepts the Proposal with additions, modifications, qualifications or assumptions, such acceptance shall be considered a new offer by the Buyer. Any such new offer shall only be binding upon LAKS if and to the extent it is accepted in writing by LAKS. Whether the Order was preceded or not by a Proposal, the Contract shall not be deemed binding unless the Buyer has received written acceptance of the Order from LAKS, both concerning the Order, and where applicable, the additions, modifications, qualifications or assumptions thereto (hereafter the “Order Acceptance”). In the event of a discrepancy between the Order and the Order Acceptance, the Order Acceptance shall prevail and determine the terms of the Contract. No Order may be canceled or modified after the date of issuance of the Order Acceptance, except with the prior written approval of LAKS and provided that all costs resulting therefrom shall be borne by the Buyer.

1.6 The Contract shall consist of:

An agreement signed by both parties and/or the Order and its Order Acceptance, including, as the case may be, any complementary specific and/or special conditions of sale;
These General Terms and Conditions, which form an integral part of the Contract.

1.7 The Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).

LAKS

1.8 The Contract constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements and understandings (whether oral, in writing or any other form) between the parties. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of LAKS which is not set out in the Contract.

2. DOCUMENTATION

2.1 The weight, dimensions, size, performance and other specifications of the Products provided for in the technical or commercial documentation (hereafter the "Documentation") of LAKS are of an indicative nature only and are not contractually binding unless expressly indicated so by LAKS in the Contract.

This is not a sale by sample.

2.2 The Documentation provided to the Buyer remains the exclusive property of LAKS and may not be communicated, copied or reproduced by the Buyer without the prior written authorization of LAKS.

2.3 Subject to the terms of the Contract, the Buyer is granted a non-exclusive, non-transferable and non-assignable right to use the Documentation. The Buyer agrees to limit access to the Documentation to those employees who require such access in order to sell the Products. The Buyer will not make available or disclose any information concerning the Documentation to any other person without the prior written consent of LAKS. The obligations expressed in this provision shall remain binding upon the Buyer even after completion or termination of the Contract. The Buyer shall take all the same precautions to maintain the confidentiality of the Documentation as those employed to protect its own proprietary information.

3. TERMS OF SALE

3.1 Unless otherwise agreed in writing, all sales of the Products between the parties are deemed concluded "EXW ex works" LAKS's premises as further specified in the Order Acceptance and / or the Contract.

3.2 The term "EXW ex works" or any other term used to define the terms of sale provided for in the Contract shall be interpreted in accordance with the INCOTERMS 2010 published by the International Chamber of Commerce.

3.3 The carrying out of operations at the request of the Buyer by LAKS other than those required by the terms of sale established by the Contract shall in no way modify either the type of sale nor the content of the Contract: the request of the Buyer to carry out such operations necessarily implies that LAKS will act in the name of and on behalf of the Buyer. Such operations and the resulting costs will be invoiced separately to the Buyer who agrees to pay LAKS upon receipt of the relevant invoice. In particular, in the event of a sale "EXW ex works", LAKS shall remain independent from the contract of carriage even when it may assist, in any manner whatsoever, in the activities of loading or storage to facilitate the task of the carrier.

9.3 Nothing in these conditions excludes or limits the liability of LAKS:

9.3.1 for death or personal injury caused by LAKS 's negligence; or

9.3.2 for any matter which it would be illegal for LAKS to exclude or attempt to exclude its liability; or

The Buyer shall defend, indemnify, and hold LAKS harmless from and against any claim based on such damage, loss or cost.

9.6 Under no circumstances shall LAKS be liable to the Buyer for any damages resulting from or arising out of any illegal and/or fraudulent use of the Products by the Buyer, any third party or the end-user.

10. FORCE MAJEURE

10.1 LAKS shall not be in default if the performance of any of its obligations under the Contract is partly or wholly delayed or prevented by reason of Force Majeure.

10.2 "Force Majeure" shall mean any event beyond the reasonable control of LAKS such as, without limitation: acts of God, governmental decision, embargo, war or national emergency, hostilities, act of the public enemy, terrorist attacks anywhere in the world, riot, civil commotion, sabotage, fire, flood, explosion, epidemics, quarantine restriction, disturbances in supplies from normally reliable sources (including without limitation electricity, water, fuel and the like), strike (either at LAKS or its suppliers or subcontractors), lock-out and labour disturbances (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, or delay from a supplier or subcontractor facing a case of force majeure as defined herein.

10.4 If the performance in whole or part of any LAKS 's obligation is delayed or prevented by reason

LAKS

of Force Majeure for a period exceeding three (3) months, LAKS may at any time without further liability to the Buyer, request termination of the Contract or any part thereof. The parties will then try to establish by mutual agreement a liquidation settlement, failing which the provisions of Article 15 shall apply. However, Force Majeure shall not prevent or delay the payment of any sum due or to be due by either Party.

11. RE-EXPORTATION

Should the Products be subject to export restrictions, the Buyer hereby undertakes not to sell, lend or deliver to any third party under any conditions whatsoever, with or without compensation, temporarily or permanently, the Products (including supplies and spares delivered in connection with the after sales support), documentation, operating manuals and information in any way whatsoever related to the Products, without the prior written consent of LAKS and/or the relevant competent authorities.

Further, the information and data (hereafter the "Information") contained in any document or support of information supplied by LAKS under the Proposal or the Contract shall remain LAKS's exclusive property along with all intellectual property rights (including but not limited to patent rights, copyrights, trademarks, designs) attached thereto.. In particular, to the extent that software is embedded in a Product, the sale of such Product shall not constitute the transfer of ownership rights or title in such software to Buyer, but, subject to the provisions set forth herein, shall only imply a non-exclusive license to Buyer under LAKS's intellectual property rights (i) to use such software in conjunction with and as embedded in the Products as supplied by LAKS, and (ii) to use such Product in or in conjunction with products of Buyer, if and to the extent infringement of LAKS's intellectual property rights necessarily results from applying one or more Products. The Buyer shall not make any use of the Information other than for the purpose of the Contract or, as the case may be, installing, operating and/or maintaining the Products. LAKS retains and shall retain full ownership of all inventions, designs and processes made prior to or during the course of performance of any Contract resulting therefrom.

12.2 The Buyer shall keep the Information in strict confidence and shall not disclose any of the Information to any other person than the Buyer's employees who need to know such Information for the purposes stated in sub-Article 12.1. Any other disclosure shall be subject to LAKS's prior written approval.

12.3 Should a court or an arbitrator finally establish that there has been an infringement of any intellectual property right of any third party or should LAKS consider that the Products could be the subject of a claim or suit for infringement, LAKS may choose at its option one of the following solutions:

to obtain the right for the Buyer to continue using the Products,

LAKS

to substitute equivalent products for the infringing Products,
to modify infringing Products so as to eliminate the infringement.

12.4 Subject to Article 9, the foregoing states the entire liability and warranty of LAKS with respect to the infringement of any patent, copyright, trademark or trade secret or of any intellectual property right by the Products or any part thereof.

12.5 The Buyer on its part warrants that any design and/or instructions furnished or given by it shall not be such as will cause LAKS to infringe any intellectual property rights in the performance of the Contract. The Buyer shall, in this respect, hold harmless and protect LAKS in the same way as provided under sub-articles 12.3 and 12.4.

13. WASTE OF ELECTRICAL AND ELECTRONIC EQUIPMENT

13.2 Unless otherwise agreed in writing between LAKS and the Buyer, the Buyer hereby accepts such charge and shall therefore:

Be responsible for financing the collection, treatment, recovery, recycling and environmentally sound disposal of (i) all WEEE arising or deriving from the Products and (ii) all WEEE arising or deriving from products already on the market as of August 13, 2005 where such products are to be replaced by the Products and such products are of an equivalent type or are fulfilling the same function as that of the Products;
Comply with all additional obligations placed upon the users by the WEEE regulations by virtue of the Buyer accepting the responsibility set out in this sub-article 13.2.

13.3 The above-mentioned obligations shall be passed on by successive professional buyers to the final user of the EEE, always under the Buyer's responsibility. Non compliance by the Buyer with the above-mentioned obligations may lead to the application of criminal sanctions, as laid down in the applicable national transposition legislation and/or regulations.

14. APPLICABLE LAW AND SETTLEMENT OF DISPUTES

14.1 The Proposal and the Contract shall be governed by and construed in accordance with Austrian law, excluding its conflict of law provisions. The application of the United Nations Convention on Contracts for the International Sales of Goods (1980) shall be expressly excluded.

14.2 The Austrian Courts shall have exclusive jurisdiction to resolve any and all disputes between the Parties arising out of or in connection with the existence, validity, contraction, performance and/or

termination of the Proposal and/or the Contract, which the Parties are unable to amicably resolve.

LAKS

15. ASSIGNMENT

Neither LAKS nor the Buyer shall, without the express prior written consent of the other (which consent shall not be unreasonably withheld) assign to any third party the Contract or any part thereof, except that LAKS shall be entitled to assign the Contract or any part thereof to (i) any affiliated, group and/or sister company and, in particular, any monies due and payable to it under the Contract (ii) any third party in connection with a merger, sale of substantially all of LAKS'S assets or a change of control.
